EXPERTISE

Laura qualified as a chartered physiotherapist in 2008. She carried out her junior rotations at the Newcastle Upon Tyne Trust, then worked between private practice and the NHS before becoming a clinical specialist physiotherapist for Lancashire and South Cumbria Foundation Trust.

More recently, Laura has also been working in neuro physiotherapy and the personal injury sector undertaking needs assessments, clinical case management and expert medico-legal work. Laura has experience in advanced understanding and extensive assessment skills in the management of long-term conditions and disability, orthopaedics, paediatrics, chronic pain, neurological conditions, brain injury, functional rehabilitation and mental health.

Ages treated: children, adolescents and adults

Location: Lancashire
