EXPERTISE

David Craig qualified as a chartered physiotherapist in 1989 and completed his master's degree in human factors (ergonomics) in 2001. He then completed his junior physiotherapy rotations at Chesterfield and North Derbyshire Royal Hospital before taking up community-based posts first in North Derbyshire, Community Health Sheffield and finally at Sheffield Teaching Hospitals NHS Foundation Trust, where he became the professional lead for physiotherapy.

As one of the founders of Rehab Direct, David has been working in the personal injury sector since 2012 and has undertaken needs assessments, clinical case management and expert medico-legal work.

Ages treated: children, adolescents and adults
