Clinical & Professional Experience

Rebekah qualified as a chartered physiotherapist in 2008 when she graduated from the University of Cumbria.

She completed her junior rotations at the University Hospitals of Morecambe Bay NHS Foundation Trust and NHS Sheffield Teaching Hospitals and then took on senior NHS roles from 2012-2019 in the community, including hospital admission avoidance, specialist stroke physiotherapist and cardiac/pulmonary rehabilitation.

Rebekah has worked within the private sector since 2014. Rebekah is experienced in the management of traumatic brain injuries, women's health, chronic pain and complex trauma.
