Experience and Background

Dominic graduated with a BSc (Hons) in Physiotherapy at Sheffield Hallam University and then later completed a MSc Sports Medicine at University of Leeds.

Dominic's physiotherapy experience includes work in a specialist hand unit, specialised neuro musculoskeletal work as well as upper limb orthopaedics and lower limb orthopaedics. He was also the Occupational Health Lead for the NHS trust he worked in.

Dominic has five years experience working with Sheffield Wednesday Football Club, starting as an apprentice academy football physiotherapist to later working as the academy football physiotherapist for the 14's to 21's which included pitchside management as well as athlete management, assessment and treatment sessions.

Dominic previously ran a successful private Physiotherapy and Strength & Conditioning clinic which was later sold as he turned to concentrate more on the treatment and development aspects of physiotherapy. Dominic is the lead educator of staff he works with working within sport and is the clinical support for FCP and Occupational Health.

** Please note that following an INA or similar assessment, any ongoing case management will be completed by one of our experienced inhouse case managers via remote / desktop support.*
