Biography

Latika is a highly experienced Chartered Physiotherapist with 20 years of clinical expertise spanning physiotherapy, occupational health, and ergonomics. Skilled in comprehensive history taking, functional assessments, patient-centred needs analysis, and producing clear, evidence-based reports.

Latika has a proven track record of supporting recovery from injury and enabling safe, sustainable return to work. She had extensive experience delivering Functional Capacity Evaluations (FCEs) and workplace assessments across diverse sectors. She is known for a holistic, organised, and outcome-focused approach, with a strong commitment to quality care and rehabilitation planning.

**Please note that following the INA or similar assessment, we will always aim for the ongoing case management to be completed by the assessing case manager. In the instance this is not possible, the case will be delegated to our experienced inhouse case management team to provide remote support.*
