Biography

Ruchika has 15 years of experience as a Physiotherapist. She has worked actively in various specialities including musculoskeletal and inpatient medical and surgical units. She completed her undergraduate degree in India where she gained a strong foundation of clinical experience. She later moved to Kuwait and worked for several years with the Ministry of Health; this gave her a clear understanding of healthcare systems and ability to manage a broad variety of musculoskeletal conditions.

Ruchika has a thirst for clinical education and developing her excellent skillset as a Physiotherapist, so in year 2022 she moved to the UK to pursue a Masters degree in Advanced Physiotherapy at the University of Salford. Ruchika has experience of working in various diverse and cultural environments. She has taken up various professional challenges of managing patients with complex needs and modifying treatment which is best suited for the presenting condition. She is passionate and committed to providing effective, high standard rehabilitation and case management

**Please note that following the INA or similar assessment, we will always aim for the ongoing case management to be completed by the assessing case manager. In the instance this is not possible, the case will be delegated to our experienced inhouse case management team to provide remote support.*
